

After several months of cold and rainy weather, spring has finally arrived! That means warmer and longer days for you to enjoy! Luckily, your Senior Scrip program is here to help you do just that. If you have paper scrip coupons on hand or electronic-scrip (e-scrip) credits in your account, you may call for a taxi or a Lyft-Uber (via GoGoGoGrandparent) to come pick you up. For any questions about purchasing scrip, please call Fresno COG at (559) 233-4148, extension 205.

Did you know?

You can purchase both paper scrip (for taxi rides) and e-scrip (for Lyft-Uber) each month. For example, you may purchase \$100 worth of paper scrip for \$25 AND \$100 worth of electronic scrip for \$25 each month (or any combination totaling up to 200 scrips. This gives you the option of taking either a taxi or Lyft-Uber in the future.
