

July 18, 2024

Karen Vosgueritchian  
Civil Rights Officer, Region 9  
U.S. Department of Federal Transit Administration  
888 S. Figueroa St. Ste 440  
Los Angeles, CA 90017

Dear Ms. Vosgueritchian

Enclosed please find details of our 2024 - 2027 DBE program.

Resolution 2024-08  
Fresno COG Policy Board Executive Minutes 05/30/2024  
Fresno Council of Governments DBE Goal Setting Methodology  
Public Notice & Proof of Publication 04/30/2024  
Memorandum to Consultant Database March 14, 2024  
Fresno Council of Governments Bidders Listing 04/24/24  
California Unified Certification Program 04/24/2024  
U.S. Census Bureau County Business Patterns Summary

These documents will be attached to our Vendor Number 1612 in TRAMS and posted in the DBE section of our Website..

If you have any questions regarding our program, please give me a call.

Sincerely

Les Beshears, Finance Director  
Council of Fresno County Governments

**BEFORE THE  
FRESNO COUNCIL OF GOVERNMENTS  
RESOLUTION NO. 2024-08**

In the Matter of:                     )  
  )  
**Disadvantaged Business**            )  
**Enterprise Goals**                    )  
\_\_\_\_\_ )

**RESOLUTION ADOPTING THE  
COG DISADVANTAGED  
BUSINESS ENTERPRISE GOALS**

**WHEREAS**, the Fresno Council of Governments (COG) has been designated the Regional Transportation Planning Agency (RTPA) for Fresno County by the Secretary of the Business and Transportation Agency pursuant to Section 29532 of the California Code of Regulations (as amended by AB 402, 1977); and acting as the Metropolitan Planning Agency (MPO) (Federal Highway Act of 1974 and the Urban Mass Transportation Act of 1964, as amended, pursuant to the joint regulations-Code of Federal Regulations, Title 26, Part 450; Title 49, Part 613); and

**WHEREAS**, the COG is a recipient of Federal financial assistance; and

**WHEREAS**, the COG, as a condition of grant award, is required to adopt a goal for disadvantaged enterprise (DBE) participation in COG awarded contracts where federal financial assistance is provided pursuant to Code of Federal Regulations, Title 49, Part 26, as amended; and

**WHEREAS**, the Federal Transit Administration requires adoption of a three year DBE goal setting program, to be adjusted on an annual basis to reflect changes in participation rates, and

**WHEREAS**, The goal applies to a variety of technical transportation and air quality related studies funded by Federal Highways, and Federal Transit Administration programs itemized in the Fresno COG 2024-25 Overall Work Program and budget. Also included is a Federal Transit Administration 5339 grant passed for transit infrastructure. The triennial DBE goal takes into consideration the availability of certified DBE's in Fresno COG's local market area and the California Unified Certification Program. It also considers Disparity Studies done by the state Department of Transportation which determined three groups exhibited disparity indices substantially below parity and are presumed to be disadvantaged; Black American, Hispanic American and Native American. Two additional groups displayed disparity indices below parity but did not reach the threshold considered substantial; White Woman-Owned Business and Subcontinent Asian American, and

**WHEREAS**, COG anticipates meeting their goal using 100% Race Neutral measures, however COG reserves the right to use Race Conscious Measures should they be warranted, and

**NOW, THEREFORE, BE IT RESOLVED**, that the COG adopt the 2024-25 through 2026-27 DBE goal at 8.04% to be applied in federally assisted contract awards using Race Neutral means.

**THE FOREGOING RESOLUTION** was passed and adopted by the Fresno Council of Governments this 30<sup>th</sup> day of May, 2024.

**AYES:** Firebaugh, Fowler, Fresno City, Huron, Kingsburg, Orange Cove, Parlier, Reedley, Sanger, San Joaquin, Selma.

**NOES:** None.

**ABSTAIN:** None.

**ABSENT:** Clovis, Coalinga, Kerman, Mendota, Fresno County.

**ATTEST:**

I hereby certify that the foregoing is a true copy of a resolution of the Fresno Council of Governments duly adopted at a regular meeting thereof held on the 30th day of May, 2024.

Signed: \_\_\_\_\_  
ROBERT PHIPPS, Interim Executive Director

Signed: \_\_\_\_\_  
ALMA BELTRAN, Chair

Fresno COG Policy Board Executive Minutes - EXCERPT  
Thursday, May 30, 2024  
5:30 PM

**Members Attending:**

Mayor Elsa Lopez, City of Firebaugh  
Mayor Pro Tem Juan Mejia, City of Fowler  
Councilmember Mike Karbassi, City of Fresno  
Mayor Rey Leon, City of Huron  
Mayor Brandon Pursell, City of Kingsburg  
Mayor Diana Guerra-Silva, City of Orange Cove  
Mayor Alma Beltran, City of Parlier  
Councilmember Mary Fast, City of Reedley  
Mayor Frank Gonzalez, City of Sanger  
Mayor Julia Hernandez, City of San Joaquin  
Mayor Scott Robertson, City of Selma  
Michael Navarro, Caltrans  
Robert Phipps, Interim Executive Director  
Bryan Rome, Legal Counsel

**Absent:**

Mayor Lynne Ashbeck, City of Clovis  
Mayor James Horn, City of Coalinga  
Mayor Maria Pacheco, City of Kerman  
Mayor Victor Martinez, City of Mendota  
Supervisor Sal Quintero, County of Fresno

**Quorum:** At the start of the meeting, there were 11 members representing 67.36% of the population. There was a quorum to conduct business. (Firebaugh, Fowler, Fresno City, Huron, Kingsburg, Orange Cove, Parlier, Reedley, Sanger, San Joaquin, Selma). Member Clovis, Coalinga, Kerman, Mendota, and Fresno County absent.

The meeting was called to order at 5:56p.m. by Mayor Beltran (Parlier), Chair.

**I. TRANSPORTATION CONSENT ITEMS**

**E. Fiscal Years 2024-25 Through 2026-27 Disadvantaged Business Enterprise (DBE) Goal (Les Beshears) [PUBLIC HEARING]**

**Summary:** Fresno Council of Governments, in accordance with 49 CFR Part 26, adopts a triennial disadvantaged business enterprise (DBE) goal to apply to Fresno COG-awarded contracts funded with Federal or State grants. The goal applies to a variety of technical transportation- and air quality-related studies funded by Federal Highway, and Federal Transit Administration programs. The studies are itemized in the Overall Work Program and budget. Also included is a Federal Transit Administration 5339 grant passed on to the Fresno County Rural Transit Agency.

- On 05/27/2021 the Fresno COG Policy Board adopted Resolution 2021-15 setting the three-year DBE goal at 7.14% for the period 2021-22 through 2023-24,
- During the 2021-22 fiscal year Fresno COG secured 18 procurements totaling \$6,049,976, of which \$730,960 or 12%, were DBE contracts.
- During 2022-23 Fresno COG, approved eight procurements totaling \$12,606,721, of which \$962,781 or 8% were DBE contracts.

- In 2023-24 Fresno COG approved 12 procurements totaling \$2,238,405. Overall DBE participation was \$256,090 or 11%.

Total procurements for the three-year period from 2021-22 through 2023-24 were \$20,895,102. Overall DBE participation was \$1,949,831 or 9%, meeting the proposed three-year goal.

The 2024-25 OWP and budget identifies \$10.5 million in contracting opportunities during the fiscal year. Of this amount, \$6.9 million involves federal funds subject to the DBE goal methodology.

Request for proposals will be solicited from qualified consultants at various times during the 2024-25 through 2026-27 fiscal years. Any firm with technical qualifications to perform these studies or projects may apply to be added to Fresno COG's RFP listing. Firms wishing to qualify as a DBE must provide a current certification in compliance with 49 CFR Part 26, issued by the State of California, Department of Transportation, the National Economic Development Administration, the City of Fresno, the County of Fresno or some other certifying governmental agency.

The triennial DBE goal takes into consideration certified DBE availability in Fresno COG's market area. It also considers disparity studies undertaken by the state Department of Transportation in 2016, 2019, 2021 and 2022 that determined three groups exhibited disparity indices substantially below parity and are presumed to be disadvantaged: Black American, Hispanic American and Native American. Two additional groups displayed disparity indices below parity but did not reach the threshold considered substantial; White Woman-Owned Business and Subcontinent Asian-American.

Staff obtained a copy of the California Unified Certification Program (CUCP) database to analyze the Fresno area procurement market by NAICS Code. This analysis was compared to the U.S. Census Bureau's County Business Patterns to determine the availability of DBEs willing and able to perform services in this market area. With this data staff calculated the step 1 base goal required by Federal regulations at 8.04%.

Regulations also provide for a Step 2 adjustment that may consider other factors, such as prior-year DBE participation and disparity studies to fine tune the goal to this market.

Results from Fresno COG's prior-year programs vary significantly from year to year as old programs close out and new programs begin; however, the dynamic nature of the programs change from year to year, negating a valid prior-year comparison.

Caltrans' disparity analysis contains considerable, useful information but is not directly comparable to Fresno COG's program.

Fresno COG staff performed a major update to its bidder's list soliciting NAICS codes, DBE certifications and purging inactive vendors. The database now contains 236 companies, including 14 DBEs, of which three are Asian-Pacific American-owned, five woman-owned, five Hispanic male-owned, and one Subcontinent Asian male-owned, resulting in a ratio of DBEs to non-DBEs of 5.9%.

After considering prior-year program performance, State disparity studies and Fresno COG's local bidders list, no Step 2 adjustments are proposed and staff recommends the Policy Board adopts an 8.04% goal determined by the statewide CUCP and U.S. Census Bureau's County Business Patterns as a valid reflection of DBEs willing and able to do business in this market area. Importantly, a formal public hearing is required for this item.

**Recommendation:** Staff and TTC/PAC recommend two actions:

1. The Policy Board open the public hearing, receive comments and close the public hearing.
2. Adopt Resolution 2024-08 setting the Triennial Disadvantaged Business Enterprise goal at 8.04%.

- Les Beshears (FCOG) gave a report on the Disadvantaged Business Enterprise (DBE) Goal.
- Chair Mayor Beltran opened the public hearing at 6:26 pm.
- Member comments:
  - Mayor Rey Leon (Huron) asked what the percentage amount was based on.
- Public comments:
  - Eric Payne (Central Valley Urban Institute) encouraged agencies to formalize partnership agreements with other offices to coordinate DBE contractors.
- Chair Mayor Beltran closed the public hearing at 6:36 pm.
- After an opportunity for public comment, Mayor Guerra-Silva (Orange Cove) motioned, and Councilmember Fast (Reedley) seconded to approve the actions as presented.

**Votes: 11 yes.**

**Absent: Clovis, Coalinga, Kerman, Mendota, Fresno County.**

**Motion passed.**

Respectfully submitted,

Robert Phipps, Interim Executive Director

# FRESNO COUNCIL OF GOVERNMENTS

## DBE Goal Setting Methodology

### October 2024 – September 2027

#### I. In General

The Fresno Council of Governments (FCOG) is a sub recipient of the State Department of Transportation (CALTRANS) for Consolidated Planning Grant funds which include FHWA PL, FTA 5303, and FTA 5304. FCOG is also a direct recipient from the Federal Transit Administration (FTA) through TRAMS for FTA 5339 and FTA 5310 funds. This methodology will incorporate the federal funds FCOG receives through the state for FCOG's planning program and FTA 5339 and 5310 funds received directly from FTA .

Fresno Area Express (FAX), the City of Clovis Public Transit, the major urban transit operator's in Fresno County in partnership with the FCOG, has a direct TRAMS grant relationship with FTA for FTA 5307 & 5339 Urbanized Area Apportionments. The transit operators prepare and administrate separate DBE programs in compliance with 49 CFR Part 26 for procurements specific to transit operations. Activities associated with transit procurements and DBE program compliance are reported separately to FTA by the operators and are not duplicated in FCOG's methodology.

A third transit operator in Fresno County, Fresno County Rural Transit Agency, (FCRTA) serves the rural city and unincorporated areas of Fresno County. During the previous triennial reporting cycle FTA awarded FCRTA a \$5 million FTA 5339 grant to build a transit maintenance facility. FTA recently granted FCRTA \$2.1 million to add an additional maintenance bay, charging stations and solar panels during the current cycle. FCRTA is typically a sub-recipient of Caltrans Division of Rail and Mass Transportation to receive FTA small area and rural FTA 5304 and 5311 apportionments, however as FCRTA has no direct grant relationship with FTA, FCOG administrates the FTA 5339 grant FCRTA received grant through TRAMS. Procurements associated with that grant are included in this goal setting methodology.

FCOG awards FTA 5310 apportionments for purchase of transit vehicles which are exempt from the DBE program. However, transit vehicles acquired through the FTA 5310 program are purchased from a DBE-certified transit vehicle manufacture (TVM) registered on FTA's website at;

[www.transit.dot.gov](http://www.transit.dot.gov)

The FCOG adopted DBE goals and program are posted to our website under a sub heading, "Agenda/Info \ DBE". We also post the minutes of our public hearing adopting our goals under the agenda section of the website. Here is the link to the DBE Section.

<http://www.fresnocog.org/disadvantaged-business-enterprise-dbe>

## II. Contracting Opportunities

Annually we identify a variety of technical Transportation Planning studies in our Overall Work Program and Budget (OWP) that will provide contracting opportunities. These contracting opportunities are open to prime contractors as well as subcontractors and procurements are scoped to facilitate DBE subcontracting. During the year we solicit proposals through an RFP process in which we notify prospective consultants of our DBE program and contract requirements. The RFPs are sent to firms in our Bidders Listing which includes DBE firms as well as links to our official website and Facebook page. Many of our studies are complex and require various skill sets so prospective consultants typically team with various sub consultants to tailor a proposal to suit our requirements providing a natural unbinding of large contracts into smaller units. During the selection process we may discuss specific issues with individual firms regarding the project, our contract requirements, or DBE program. Depending on the project we may conduct face to face interviews with prospective consultants. We typically issue a prime contract to the winning proposal to the prime contractor who subcontracts with the various firms that team up for their proposal.

FCOG has identified \$10.5 million in contracting opportunities in Table 1.

**Table 1**  
**Fresno Council of Governments**  
**Contracting Opportunities**

<b>Contract Opportunity</b>	<b>Fed</b>	<b>State/Local</b>	<b>Total</b>
Program Customization	20,000		20,000
Activity Based Modle Support	40,000		40,000
Data Axle	5,000		5,000
Valley Wide Cube	40,000		40,000
Eco-Counter Auto Data	3,000		3,000
RTMF On Call Technical Support		50,000	50,000
Regional Hub Mobility	700,000	140,000	840,000
Pavement Management System	1,196,300		1,196,300
Climate Resiliency		480,000	480,000
Airport Land Use Planning		10,000	10,000
Transit On Board Survey		230,000	230,000
Regional Transportation Plan	398,542		398,542
Regional VMT Mitigation Plan		314,000	314,000
California Inland Port	1,625,000		1,625,000
Managed Lane Study		200,000	200,000
Climate Action Plan	690,000		690,000
Circuit Planner Technical Studies		200,000	200,000
Regional Early Action Plan		1,314,900	1,314,900
Valley Wide Air Quality Liaison		145,000	145,000
FCRTA Maintenance Bldg.	2,162,886	540,722	2,703,608
	6,880,728	3,624,622	10,505,350

To facilitate subcontracting, FCOG separates contracting opportunities by NAICS code to develop the most refined data available of work grouped into primary categories corresponding to data found in the California Unified Certification Program (CUCP) and the U.S. Census Bureau County Business Patterns Database (USCPD).

FCOG pro rates the percentage of each NAICS code to total Federal Funds to determine how each NAICS will be weighted in the Base Calculation per Table 2.

Table 2  
Federal Contracting Opportunities by NAICS Code

NAICS Code	Federal Funds	Weight Percentage
236210 Industrial Bldg. Contractors	302,770	4.40%
238210 Electrical Contractors	234,230	3.40%
238290 Other Bldg. Equipment	1,158,787	16.84%
238910 Site Preparation Contractors	135,000	1.96%
238990 All Other Specialty Contractors	145,000	2.11%
441310 Automotive Parts & Accessories	187,099	2.72%
541330 Engineering Services	2,981,438	43.33%
541511 Custom Computer Programming	108,000	1.57%
541620 Environmental Consulting	240,000	3.49%
541690 Other Scientific and Tech	988,404	14.36%
541810 Advertising Agencies	400,000	5.81%
Total	6,880,728	100.00%

### III. Step One Base Calculation

To establish FCOG's base availability of willing DBE's, FCOG accessed the California Unified Certification Program (CUCP) which is a state wide listing of registered DBEs. FCOG considered identifying our market area as a number of counties surrounding Fresno county, however this proved problematic when comparing the CUCP to the national census database as the CUCP counts DBEs in the county they do business in, regardless of their domiciled address. The national census database counts business only by domiciled address. Therefore, a county by county comparison of firms that do business in multiple counties may result in duplicate counting of DBEs in the CUCP. In order to create an apples to apples comparison the state wide CUCP DBE database must be compared with the statewide national census database. FCOG therefore identifies our market areas as the State of California. This is also more consistent with our planning consultant procurements which are domiciled all around the state. The number of DBEs registered in the CUCP for the selected market area becomes the numerator of the Base calculation.

To establish the number of established business' in our market area FCOG consulted the U.S. Census Bureau County Business Patterns database (USCPD). The number of firms registered in the USCPD for the selected market area becomes the denominator for the Base Calculation

The calculation then becomes;

$$\frac{\text{Number of DBE's In CUCP}}{\text{Number of firms registered in USCPD}} = \text{Base DBE Availability Percentage}$$

The result of the calculation by NAICS code is summarized in Table 3A.

Table 3a

NAICS Code	Number Of DBE's	Number Contractors	Percent DBE
236210 Industrial Bldg. Contractors	133	327	40.67%
238210 Electrical Contractors	214	9,460	2.26%
238290 Other Bldg. Equipment	25	726	3.44%
238910 Site Preparation Contractors	239	2,620	9.12%
238990 All Other Specialty Contractors	269	3,368	7.99%
441310 Automotive Parts & Accessories	4	3,567	0.11%
541330 Engineering Services	581	8,964	6.48%
541511 Custom Computer Programming	287	11,181	2.57%
541620 Environmental Consulting	439	1,611	27.25%
541690 Other Scientific and Tech	392	4,398	8.91%
541810 Advertising Agencies	88	3,139	2.80%

The Weighted Percentage calculated in Table 2 is then multiplied by the DBE Availability Percentage calculated in Table 3a to arrive at a base goal by NAICS code. The sum of all the goals are added together to arrive at the Total Step I Base Goal.

Table 3b

NAICS Code	Percent DBE	Weight Percent	Percent DBE
236210 Industrial Bldg. Contractors	40.67%	4.40%	1.79%
238210 Electrical Contractors	2.26%	3.40%	0.08%
238290 Other Bldg. Equipment	3.44%	16.84%	0.58%
238910 Site Preparation Contractors	9.12%	1.96%	0.18%
238990 All Other Specialty Contractors	7.99%	2.11%	0.17%
441310 Automotive Parts & Accessories	0.11%	2.72%	0.00%
541330 Engineering Services	6.48%	43.33%	2.81%
541511 Custom Computer Programming	2.57%	1.57%	0.04%
541620 Environmental Consulting	27.25%	3.49%	0.95%
541690 Other Scientific and Tech	8.91%	14.36%	1.28%
541810 Advertising Agencies	2.80%	5.81%	0.16%
		Step 1 Base Goal	8.04%

#### IV. Step Two – Adjusting the Base figure.

Mean Distribution The results of our prior program is provided.

2013/14	9%
2014/15	12%
2015/16	13%
2016/17	34%
2017/18	49%
2018/19	22%
2019/20	14%
2020/21	12%
2021/22	8%
2022/23	11%

The federal regulations suggest it may be appropriate to consider adjusting the Base Goal to reflect past DBE participation by developing a mean distribution of results and

selecting the median year, however this is only feasible if the program is similar from year to year. In this case, the construction of FCRTA's Bus Maintenance facility and the Regional Early Action Plan that was in the previous plan is not typical to our planning program which in of itself, is dynamic from year to year as existing programs are complete and new programs come on line. While the results of the program for the last three years averages around 9% which is consistent with our current proposed goal, it is clear results can vary dramatically within the content of a dynamic changing program, therefore it was determined that a median value distribution does not appropriately reflect previous experience.

## Disparity Studies

The regulations also propose that Disparity Studies and Bidders Listings may be considered.

In 2012 the State Department of Transportation hired BBC Research and Consulting to perform a disparity study assessing DBE participation in Federal Highway Administration projects that revealed statistically significant underutilization of six groups, African American, Asian Pacific American, Native American, Women, Hispanic Males and Subcontinent Asian Males. BBC is considered as one of the premier data sources for disparity analysis. The Federal Highway Administration approved the State Department of Transportation's Disadvantaged Business Enterprise Program on the basis of this disparity study and these underutilized groups became the standard for reporting DBE experience on the Uniform Report of DBE Commitments/Awards and Payments format used by Federal Transit Administration and Caltrans.

BBC Research updated the analysis in 2016, 2019, 2021, 2022 and is in the process of doing a 2024 update. Comparing the results of these studies across the board provides useful information however, as the inputs and emphasis points have developed from update to update it becomes apparent that BBC's reporting mechanism evolves and each report uses different industry weighting for final goal calculation. This goes to emphasize the complexities associated with analyzing an evolving and entangled human situation such as economic status.

For instance, in 2019 the Base Year Calculation was based 98% on Goods and Services and 2% on Professional Service creating a weighted average base goal of 1.7% which was then adjusted to 5% per past DBE participation.

Base Yr. Calculation	2019		Weighted Average
	Prof Service	Goods Service	
Non Hispanic white Women	10.50%	1.00%	1.30%
Asian Pacific	5.30%	0.00%	0.10%
Black American	2.40%	0.10%	0.10%
Hispanic American	3.00%	0.10%	0.20%
Native American	0.00%	0.00%	0.00%
Subcontinent Asisan	1.00%	0.00%	0.00%
Total	22.20%	1.20%	1.70%
Industry Weight	2.00%	98.00%	
Adjusted Goal		5.00%	Per past DBE Participation

The 2021 Base Year Calculation was based 80% on Construction and 20% Professional Services yielding a weighted average base goal of 22% which was then adjusted to 17.6% per past DBE participation.

Base Yr. Calculation	2021		Weighted Average
	Prof Service	Const	
Non Hispanic white Women	5.60%	2.00%	2.80%
Asian Pacific	2.20%	1.20%	1.40%
Black American	2.80%	11.90%	10.00%
Hispanic American	0.70%	1.10%	1.00%
Native American	2.10%	1.10%	1.30%
Subcontinent Asisan	9.90%	4.70%	5.70%
Total	23.30%	22.00%	22.20%
Industry Weight	20.00%	80.00%	
Adjusted Goal		17.60%	Per past DBE Participation

The 2022 Base Year Calculation was based 98% on Transit Services with the remaining 2% spread between Professional Service, Goods & Service, and Construction yielding a weighted average base goal of 21.6% which was then adjusted to 11% for past DBE participation.

Base Yr. Calculation	2022				Weighted Averaged
	Prof Service	Goods Service	Transit Service	Const.	
Non Hispanic white Women	12.10%	7.60%	0.00%	5.20%	0.10%
Asian Pacific	8.40%	2.60%	12.90%	7.80%	0.10%
Black American	2.50%	11.80%	2.00%	21.70%	12.80%
Hispanic American	0.00%	0.00%	0.00%	0.00%	2.00%
Native American	6.10%	0.90%	6.60%	5.20%	0.00%
Subcontinent Asisan	16.90%	4.00%	0.00%	6.70%	6.60%
Total	46.00%	26.90%	21.50%	46.60%	21.60%
Industry Weight	0.40%	0.60%	98.90%	0.00%	
Adjusted Goal	11.00% Per past DBE Participation				

Our proposed goal is weighted by NAICS code and doesn't follow the evolving categorical weightings of the BBC studies, however, FCOG's base year calculation of 8% is not significantly out of alignment with the 2019 or 2022 adjusted goals and in our case, no disparity adjustment for past DBE participation was deemed appropriate.

## Bidders Listing

In order to focus more precisely on the firms interested in performing our specialized studies, we compile a bidders list from a contractor data base we have built over the years of all firms ready, willing, and able to compete for DOT assisted contracts through our technical planning process, including firms that are certified DBEs. We use the data base to solicit proposals through a Request for Proposal process. We contact everyone in the database annually, inviting interested firms to update their records, report NCIAS codes, DBE status, etc. We use the result of this exchange to update the database. We use the ratio of DBE firms, to the total of all firms registered in our data base as a method of evaluating our base calculation based on the CUCP and USCPD. Our bidders list presently has 258 firms in it of which 13 are DBE, equating to a base goal of 5.04% which could be interpreted to suggest a downward revision of the Step 1 calculation, however we interpret this as an indication that the results obtained from the CUCP/USCPD is not unreasonably inflated. The Step 1 calculation provides a valid comparison of our market area therefore no adjustment based on our bidders listing is proposed at this point.

## V. Race Neutral / Race Conscious

Per section 26.51 of 49 CFR Part 26, we are required to meet the maximum feasible portion of our goal using Race Neutral methodology. Our previous overall goals have been 100% race neutral and 0% race conscious. Our record of reasonable DBE participation using 100% race neutral measures reinforces continued usage of the 100% race neutral methodology. We reserve the option to apply race conscious measures if applicable, however, setting specific Race Conscious goals are problematic in that 48 FR 33437-38; July 21, 1983, strictly prohibits quotas or set-asides under any circumstances on DOT-assisted contracts and mandated set-asides can only be used as a means of last resort for redressing egregious discrimination. We have identified no instances of egregious discrimination in our program.

In addition, California Proposition 209 amending the California State Constitution, passed by the voters in 1996 and reaffirmed in 2020, stated that public institutions cannot discriminate against or grant preferential treatment to persons on the basis of race, sex, color, ethnicity, or national origin in public employment, public education, and public contracting.

In light of federal and state law that has been narrowly tailored over the years to address lawsuits challenging aspects of 49 CFR Part 26, Race Conscious procedures must be judiciously applied, if at all and only if applicable, by placing an emphasis on Good Faith Efforts.

Race Neutral goal = 8.04%

Race Conscious goal = 0%

## VI. Small Business Participation

Part of our good faith effort implementation of the DBE Program, includes the active implementation to foster small business participation. Our contracting requirements are structured to facilitate competition by small businesses, and we take all reasonable steps to eliminate obstacles to their participation, including unnecessary and unjustified bundling of contract requirements that may preclude small business participation as prime contractors or subcontractors. A reasonable number of prime contracts shall be of a size that small businesses, including DBEs, can reasonably perform.

Our procurement program is open to all small businesses, including DBEs, regardless of their location, and there are no limits on the number of contracts that can be awarded. Every effort will be made to avoid creating barriers. Assistance is provided to small business, including DBEs, in overcoming barriers to participation in all methods of procurement. Fresno COG staff shall offer the following assistance to DBEs and other small businesses:

Information on organization and contractual needs;  
Instructions for preparation of bid specifications, procurement policy procedures, and general bid requirements;  
Information on specific reasons for unsuccessful bids through debriefing sessions;  
Projected procurement opportunities;  
Instruction of job performance requirements

## VII. Public Participation

Fresno COG has an active Public Participation Plan that provides direction for public activities conducted by Fresno COG and contains the requirements, procedures, strategies and techniques used by Fresno COG to communicate with the public and appropriate, affected agencies. This plan defines a comprehensive process that outlines roles, responsibilities, and key decisions points for consulting with public agencies, the transportation sector, transportation providers, and other interested parties, providing reasonable opportunities to be involved in the metropolitan planning and procurement process.

On June 28, 2021, at the conclusion of FCOG's quadrennial certification review, FHWA and FTA issued a joint summary report stating, "Fresno COG has done an excellent job in the development of their public facing documents. The documents are well written, succinct, and easy for the public to understand".

FCOG kicked off the most recent update to the Public Participation Plan (PPP) in March 2024. The draft PPP was released for review and comment on March 8, 2024 at the FCOG Transportation Technical Committee and the Policy Advisor Committee. A notice was published in the Fresno Bee May 17, 2024, in hard copy and online, in English and Spanish. Articles announcing the draft document and public review and comment period that provided links to the PPP were also included in COG's E-Newsletter, "Coming Up At Fresno COG" published June 3 and 6.

Fresno COG maintains active social media accounts where announcements, public notices, surveys, webinars, request for proposals for consulting projects and links to related content and newsworthy events are posted on [Facebook](#), [YouTube](#), [LinkedIn](#) and [Instagram](#).

Fresno COG's [Engagement Hub](#) is the online home for outreach and listening efforts that shape the future of our community. Using the Public Input online software Fresno COG creates individual sites for plans or projects under construction. This enables COG to create custom locations for interested parties to find information, meeting links, timelines, resources, and how and where to get involved in specific planning efforts, then answer

surveys and sign up to receive updates via text or email. It is accessible through Fresno COG's mail website under the "Get Involved" section.

Fresno COG maintains an active Facebook page where conference invitations, public notices, surveys, webinars, request for proposals for consulting projects and links to related content and news worthy events are posted. Postings to our facebook page are in both English and Spanish.

June 1, 2023 Seeking qualified consultant to work with region wide stakeholders and the community to guide REAP 2.0 application development, scoring, and approval.

June 1, 2023 Fresno County Rural Transit Agency kicks-off the first micro transit service of it's kind in the nation.

June 16, 2023 FCOG announces intent to develop opportunities to improve conditions for walking, biking, and other forms of non-motorized transportation.

July 24, 2023 FCOG, in conjunction with the Fresno Metro Black Chamber of Commerce announces EPA funded economic and environmental justice study to tackle climate pollution and boost clean energy.

October 30, 2023 FCOG solicits regional priorities to augment the annual "One Voice" visit to congressional and federal departmental representatives in Washington D.C.

November 27, 2023 A presentation of the Fresno County Active Transportation Plan to promote safe walking and biking.

December 8, 2023 FCOG announces an EPA funded Climate Protection Reduction grant to reduce greenhouse gas and the effects on disadvantaged populations.

May 6, 2024 FCOG kicks-off the update to the Regional Transportation Plan under the guidance of a 40 member RTP Roundtable committee as well as public-at-large.

May 9, 2024 FCOG holds community event at Fresno City College to solicit input on the BNSF Railroad McKinley Grade Separation Project.

Fresno COG maintains a database by NAICS code, including DBEs of contractors interested in participating in our procurement program. We share this listing with similar agencies, monitor trade publications and attendance at various government training and consultation seminars keeping an eye open for firms qualified to perform the specialized transportation planning studies representative of a regional Metropolitan Planning Agency. Anyone may request listing in our database. We periodically contact all

contractors in our data base, including DBEs, explaining our program and requesting updated information on their DBE status. We publish notice in the region's major newspaper of circulation notifying of potential contracting opportunities, explaining our DBE procurement program and inviting attendance and comment at our annual DBE public hearing. We also post notices and information relevant to our DBE program on our website and Facebook page.

On March 30, 2024 Fresno COG notified the consultants listed in our regional bidders list, inviting them to update their DBE status. A link is also posted to the Fresno COG website inviting interested DBEs to register in our data base, providing registration forms, instructions and a link to NAICS codes. A public notice was published on April 30, 2024, appearing in the Fresno Bee, informing the public of our DBE Goal Setting Methodology public hearing scheduled for May 30, 2024 providing address, phone number and inviting comments. Minutes for the May 30, 2024 meeting, including the presentation of Agenda Item II.E. Fiscal Years 2024-25 – 2026-27 Disadvantaged Business Enterprise (DBE ) Public Hearing and the adoption of Resolution 2024-08 setting the DBE goals at 8.04% are attached to this methodology.

## VIII. Final Adjusted Goal

In compliance with 49 CFR Part 26, Fresno COG submits the final DBE Goal for the period 2024-25 through 2026-27 at 8.04%.

PUBLIC NOTICE

**Public Notice**

The Fresno Council of Governments, in accordance with 49 CFR Part 26, adopts a triennial disadvantaged business enterprise (DBE) goal to apply in Fresno COG awarded contracts funded with federal, state and local grants. On May 30, 2024, in public hearing, the Fresno COG Policy Board will adopt Resolution 2024-08, approving the three-year goal for 2024-25 through 2026-27. The goal applies to a variety of technical transportation and air quality related studies funded by Federal Highways, and Federal Transit Administration programs itemized in the Fresno COG 2024-25 Overall Work Program and budget. Also included is a Federal Transit Administration 5339 grant passed on to Fresno Rural Transit Agency to build a transit maintenance facility.

The triennial DBE goal takes into consideration the availability of certified DBE's in Fresno COG's local market area. It also considers a Disparity Study done by the state Department of Transportation which determined three groups exhibited disparity indices substantially below parity and are presumed to be disadvantaged; Black American, Hispanic American and Native American. Two additional groups displayed disparity indices below parity but did not reach the threshold considered substantial; White Woman-Owned Business and Subcontinent Asian American.

Requests for proposals will be solicited from qualified consultants at various times during the fiscal year. Any firm with technical qualifications to perform these projects may apply to be added to Fresno COG's RFP listing. Firms wishing to qualify as a DBE must provide a current certification in compliance with 49 CFR Part 26, issued by the State of California, Department of Transportation, the National Economic Development Administration, the City of Fresno, the County of Fresno or some other certifying governmental agency.

The public hearing will be held on May 30, 2024 in the Sequoia Room at the Fresno COG office. The Conference Room is accessible to the disabled. Individuals with disabilities may call Fresno COG (with 3-working day advance notice) to request auxiliary aids necessary to participate in the public hearing. Translation services are available (with 3-day advance notice) to participants speaking any language with available professional translation services.

Records pertaining to Fresno COG's DBE program are on file at the Fresno COG office at 2035 Tulare Street, Suite 201, Fresno CA and open to public inspection during normal business hours for 30 days from this notice. Fresno COG will accept comments on the DBE program for 45 days from this notice. If you have any questions regarding this process, please contact Les Beshears, Finance Director at 559 233-4148.

*Stephanie Hatcher*

Notary Public in and for the state of Texas, residing in Dallas County

Extra charge for lost or duplicate affidavits.  
 Legal document please do not destroy!

## MEMORANDUM

DATE: March 14, 2024  
TO: Participating Consultant  
FROM: Denise Flores, Office Administrator  
RE: DBE Program

The Fresno Council of Governments maintains a race neutral DBE program in compliance with 49 CFR Part 26. Recently the Federal Highway administration and State Department of Transportation issued revised guidance concerning our DBE program pursuant to a 2016 Disparity Study that seven groups presumed to be disadvantaged are underutilized as defined by the Code of Federal Regulations, 49 CFR Part 26. Three groups exhibited disparity substantially below parity – Black American, Hispanic American and Native American. Two groups exhibited disparity below parity but did not reach the threshold to be considered substantial – white woman- owned business and Subcontinent Asian American.

We have added a field to the database for NAICS CODE per federal regulations. To find your business' NAICS CODE visit [www.naics.com](http://www.naics.com).

Each year we request certain information when compiling a bidders list, however providing this information is optional on your part.

If you wish to remain on the Fresno Council of Governments bidders list, please complete the form on the opposite side of this page and return it by mail, FAX (559) 233-9645, or email [smaxwell@fresnocog.org](mailto:smaxwell@fresnocog.org) by **April 15, 2024**.

**CONSULTANT DATABASE INFORMATION SHEET**

The following information allows our Bidders Listing to conform to federal DBE regulations, 49 CFR Part 26 which requires certain information when compiling a bidders list; however, providing any part of the information is optional on your part.

If you wish to be added to or remain on the Fresno Council of Governments Bidders list, please fill out this form and return by mail, fax to (559) 233-9645, or email to smaxwell@fresnocog.org.
